Athletic Hall of Fame Inductees

Tom Barry - *Class of 1977*

Arguably one of the most prolific scorers in BHS boys basketball history, Tom Barry enjoyed an impressive junior campaign which included a 21 PPG average in the playoffs. He followed that up by being the Suburban Division scoring champion his senior year, averaging 24 PPG for the season in an era before the three point shot was in effect. A senior captain, Tom scored 30 points or more in six games, was named MVP of the Rogers High School Holiday Tournament and helped the team reach the semi-final round in the state playoffs. These accomplishments earned him All-Division honors and he was chosen by the state's coaches to be one of ten high school players to participate in the Rhode Island "People-to-People Tour" to Scotland and Ireland. The team was undefeated on its tour and Tom was the team's second leading scorer with 18 PPG. He participated in outdoor track his senior year and quickly excelled in the long jump, triple jump and high jump. He set the school's high jump record of 6'3" at the time and received All-Division recognition while helping his team win the Class Championship. Tom went on to play basketball at Connecticut College and established school records for Most Field Goals in a Season (182) and Highest Scoring Average in a Season (22).

Trina (Young) Barton - *Class of 1994*

Breaking eight state records along the way, Trina Young was named a State Champion in eight events and First Team All-State in 13 events during her high school swim career. She was named the high point winner at the Bay View Invitational in each of her four years. Trina's senior year highlights included breaking state records in the 200 free and 500 free and being named State Champion and First Team All-State in each of those events. Additional recognition followed, including 1994 Rhode Island Interscholastic Swimmer of the Year and All-American Honorable Mention. In 1994 she also competed in the New England Senior Championships, placing 2nd in the 100 breaststroke, 500 free and 1000 free, and the Senior National Championships Qualifier. She was then selected to the Olympic Development Training Team in Colorado Springs, Colorado. A key member of Cornell University's Swim and Diving Team, she set school records in five individual events, received multiple All-Ivy selections and, in 1996, placed first in the 1,650 freestyle at the Women's Eastern Intercollegiate Swim League (EISL) Championships. Trina was inducted into the Rhode Island Aquatics HOF in 2017.

Mark Conley - *Class of 1980*

One of the best ever to play on the diamond for the Eagle nine, Mark Conley was a three-year varsity starter at SS-CF-P and a captain his senior year. His combination of hitting for average and power led him to be selected First Team All-State his senior season when he hit for a .410 average with 5 HRs and 28 RBI. He earned Third Team All-Division honors his sophomore year when he helped his team win the Eastern Division Championship and Second Team All-Division his junior campaign. Mark was also a three year starting point guard on the hard court, and as a sophomore led the team to an undefeated regular season and a Suburban Division Championship. In both his junior and senior years, he was captain and earned All-Division honors. A key player on the Barrington Post 8 baseball team that

was National Runner-Up at the 1979 American Legion World Series, Mark led the offense in batting average, hits, doubles, home runs and RBIs. He went on to play at Yale University where he was a four year starter at 3B and was named Second Team All-New England his junior year and earned All-Eastern Intercollegiate Baseball League recognition his junior and senior campaigns. Mark was honored with the George Herbert Walker MVP Award in his final season and, upon graduation, was the third all-time leader in both HRs and RBIs for the Bulldogs. He was also in the starting lineup for what many national writers consider the "greatest college baseball game ever played" - Ron Darling's 11 inning no hitter at the 1981 NCAA Division I Baseball Championship which ended in a Yale 1-0 loss in 12 innings to Frank Viola and St. John's University.

Perry (Barlow) Lane - Class of 2003

One of only a couple female athletes in BHS history to be selected The Providence Journal Honor Roll Girl Scholar Athlete of the Year in 2003, Perry (Barlow) Lane was an exceptional team leader and determined competitor. She was named MVP of the Girl's State Lacrosse Championship each of the three straight years her team won the title. She was also captain of the lax team her junior and senior years and the league's leading scorer each year from her 3rd home midfield/attack position. Not surprisingly, Perry was named First Team

All-State all three years and selected All-American in 2003. Also a midfielder on the field hockey team, she was named Second Team All-State in both her junior and senior year. Perry also found the time to participate in indoor track, running the 600 meter relay and competing in the high jump. She was very involved in the BHS Music Department and with various community activities, including Common Cause, and was President of the BHS Chapter of the National Honor Society. At the end of her senior year she received the BHS Principal's Leadership Award. Perry played four years of lacrosse at Harvard University and was captain of the team her senior year.

Audrey (Couto) McClelland - Class of 1996

An explosive sprinter, Audrey (Couto) McClelland was only the second female swimmer in Rhode Island to be named First Team All-State in an individual event for four consecutive years. Throughout her high school swimming career she was selected First Team All-State 14 times (7 individual events and 7 relays). Co-Captain of the swim team her senior year, Audrey broke the state record in the 100 free and 100 breaststroke that had been held for 14 years and was part of the record setting team that swam the 200 medley relay. She was named

Outstanding Female Swimmer at the Bay View Invitation four years in a row and was selected to the United States Swimming Association's Scholastic All-American Team her junior and senior years. A recipient of the the BHS Principal's Leadership Award her senior year, she was also a member of the Bruin Swim Club at Brown University when she broke the state's 100 breaststroke record in 1994 and competed at several Junior National qualifiers. Audrey later graduated from Brown and was inducted into the Rhode Island Aquatics HOF in 2017.

Richard Paolino - *Class of 1963 (posthumously)*

A First Team All-State center and captain of the undefeated BHS football team that won the State Championship in 1962, Rich Paolino was also a leading force on the 1960 football team that won Barrington's first State Championship in nearly 20 years. Rich was a standout in track & field as well, throwing the weight and hammer all four years and helping his team win Class Championships in 1961 and 1963. In his senior year he was the recipient of the Arthur H. Ruggles Memorial Scholarship given to an outstanding young man from Rhode Island planning to attend Dartmouth College. After graduation, Rich played football at Dartmouth for heralded head coach Bob Blackman before injury ended his career prematurely. Inducted into the fifth BHS HOF Class in 2014 as a Contributor, he was a Founding Member of the Barrington Gridiron Club, dedicated to providing support to Barrington football. Rich also was an Founding Member of the BHS Athletic Hall of Fame Committee, served on the town's Appropriations Committee during the 1990s and was an active volunteer for the Community Scholarship Fund of Barrington, serving as the organization's President from 2008-2012.

Mark Stamoulis, DVM - *Class of 1980*

A three sport athlete, Mark Stamoulis was always a positive and steadying influence on the fields and the ice. He was a captain of the baseball team his senior year and earned First Team All State honors for hitting over .400 in the leadoff spot while playing a stellar 2B. He was also a four-year starter on the hockey team and captain his senior year when the stay-at-home defenseman was selected by the league's coaches to Third Team All-Division. Mark made an impact on the gridiron as well, playing defensive back and wide receiver while also returning kicks and punts. During the summer prior to his senior year he was the starting 2B and leader in runs scored on the Barrington Post 8 team that was the National Runner-Up at the 1979 American Legion World Series in Greenville, Mississippi. In addition to his accomplishments as an athlete, Mark was President of his class, received the Dartmouth Book Award and was the BHS nominee for The Providence Journal Honor Roll Boy Scholar Athlete of the Year his senior year. He went on to play baseball at Brown University, starting at 2B for three years and was named Academic All-American Honorable Mention his senior year.

Boys Basketball Team - 1962

Led by Coach Stephen Cronin and co-captains Frank Eighme and Tad Welch, the basketball team dominated the league in 1962, finishing with a 15-1 record while winning the Eastern Division crown and Class C Championship. The team averaged 74 points that year, enjoying an impressive average scoring margin of +23. Sparked by the dominant interior play of Eighme, the long range shooting of Bill Reynolds (BHS HOF 3rd Class), the all around scoring talent of Jay Sarles (BHS HOF 2nd Class), the rebounding of Bob Schmid and the floor play of Mike Raffa, the team advanced to the State Tournament. The highlight of the playoff run was a resounding 77-60 upset of LaSalle Academy in the quarterfinal game. In recognition of the team's success, Eighme was named Second Team All-State while Reynolds and Sarles were selected First Team All-Division.

Football Team - 1960

With a solid core of starters from the previous year, including co-captains Anthony Amaral, Steve Hess, Gordon Haas and Frank Vollaro (BHS HOF 1st Class), Coach Frank Murgo (BHS HOF 1st Class) led his football team to a 7-1 league record in 1960. On the morning of Thanksgiving, the Eagles were in a three-way tie for first place with Scituate and Bristol. Who would be named the Class C Champion would come down to the winner of the annual Barrington-Bristol classic as the Eagles trounced the Colts 26-13 to win its first football league crown in more than a decade and the first at Barrington High School for Coach Murgo. Thanks in large part to the defensive and offensive line play of All-Staters Hess, Haas and Vollaro, the team's stingy defense only allowed 8.5 points per game, including three shutouts, while the offense averaged a solid 21 points per game.
